

Graduate programme

If you are planning your next steps following a Real Estate degree and are looking to further your career in commercial property our graduate programme may be perfect for you.

Our two-year Commercial Property programme offers the breadth of experience needed to work across almost all areas of our business. You will be given the chance to experience different rotations, develop your professional network and expand your knowledge of the industry.

We are committed to supporting young professionals, each year we take on both graduates and undergraduates across the various disciplines.

About Brasier Freeth

We are an established firm of commercial property specialists and Chartered Surveyors who help clients with a wide range of commercial property services. With a 40 strong team across 3 offices in Mayfair, Kings Langley and Welwyn Garden City we offer expert market, regulatory and technical knowledge, plus an established and extensive network of relationships.

Our graduate programme

Your career can go as far as your ambitions, we welcome graduates from all academic backgrounds who have an interest in the property industry. You will need to be eager to learn, ambitious and highly motivated to hit the ground running.

This structured programme focuses on the completion of the Assessment of Professional Competence (APC) through the Royal Institution of Chartered Surveyors (RICS). Throughout the two-years, graduates can expect to work in a minimum of two departments. These may include Agency, Professional and Valuation.

We are committed to supporting young professionals and each year we take on graduates across the various disciplines.

We will provide you with a structured programme, giving you access to the right experience to develop as a property professional, with the opportunity to specialise in your chosen graduate career path.

We work hard to ensure that all our graduates gain the practical experience they need in order to meet the APC competencies and where possible, preferences are considered when arranging any rotation or liaison, to ensure that you get a say in the direction your career is moving.

What to expect

- Fully funded APC. We will pay for your enrolment, training, CPD and mock interviews
- A dedicated Supervisor/Mentor/councillor to guide you through the process
- All graduates will receive in-house training from our training team who will offer a range of workshops to complement your APC
- Study leave in the run up to your APC
- On-site and off-site training workshops

Timings

- Ideally your role will start September 2024 but earlier starts possible

Benefits

- Friendly team environment
- Strong APC pass record
- Highly accessible
- Attractive salary
- Paid employee volunteering scheme
- 20 days annual leave (increases yearly with service) & your birthday day off if it falls on a weekday
- Cycle to work scheme
- We are signed up to Techscheme, a salary sacrifice benefit that lets employees save up to 12% on the price of tech and spread the cost
- Post qualification salary review
